

Midway Home TechXtile

COMPANY PROFILE

Midway Home TechXtile

The company was founded in 1989 and since 1992 we have been exporting our products to famous and reputable labels worldwide. We have since then expanded in size and production whilst always keeping to our core values our business.

- Bespoke and Quality manufacturing
- Timely delivery and competitive prices
- Excellent Customer service

The company has a vertical setup and experienced personnel in all levels of operations ensuring we meet buyer's requirements in time. Some of the famous labels we supply our goods to are

ZARA HOME - Spain
RANS - Australia
WAM - Australia
TEXTURA - Spain
LEROY MERLIN - Spain
KINDA HOME - Portugal

We have an experienced quality control team to manage and oversee production to the required standards, throughout the whole process, raw product to finished piece

We have separate departments for sourcing/ sampling, Merchandising, Production, Quality Control, Shipping and Banking.

We also have excellent systems in place enabling the customers to get quick feedbacks and answers.

We aim to be a key partner to help you for bring your ideas to life and in turn supporting you to boost your business to the maximum.
